WE, the 1977 graduating class of Panther Valley High School are a unique body of individuals. Back in 1964 when the Panther Valley School System was initiated we entered our kindergarden year, the first of thirteen years of schooling. Now as graduates, we are credited with being the first class to complete the full thirteen years of education in the Panther Valley Jointure. Years passed by as Panther Valley increased in size and in 1973 the new Panther Valley Senior High School Complex became a reality. We entered this modern structure in our freshman year and as we bid farewell we are noted for being the first class to complete the full four years of school in the new Panther Valley building.

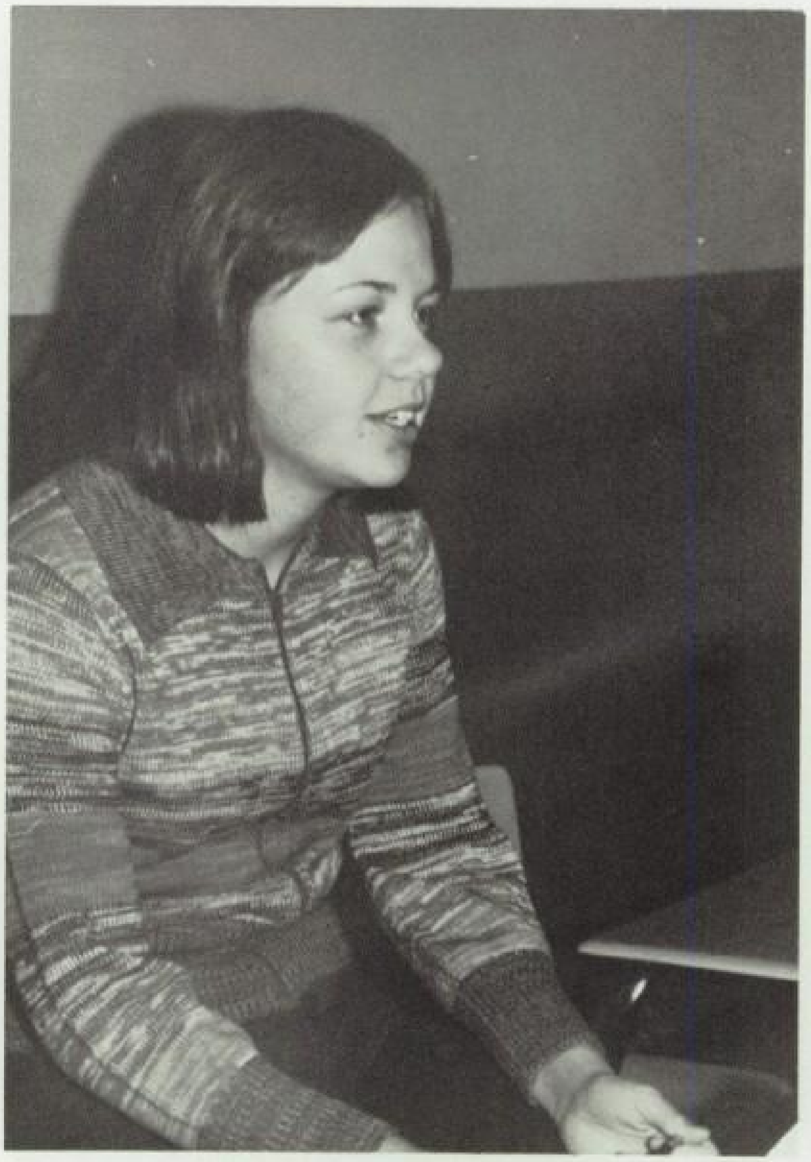
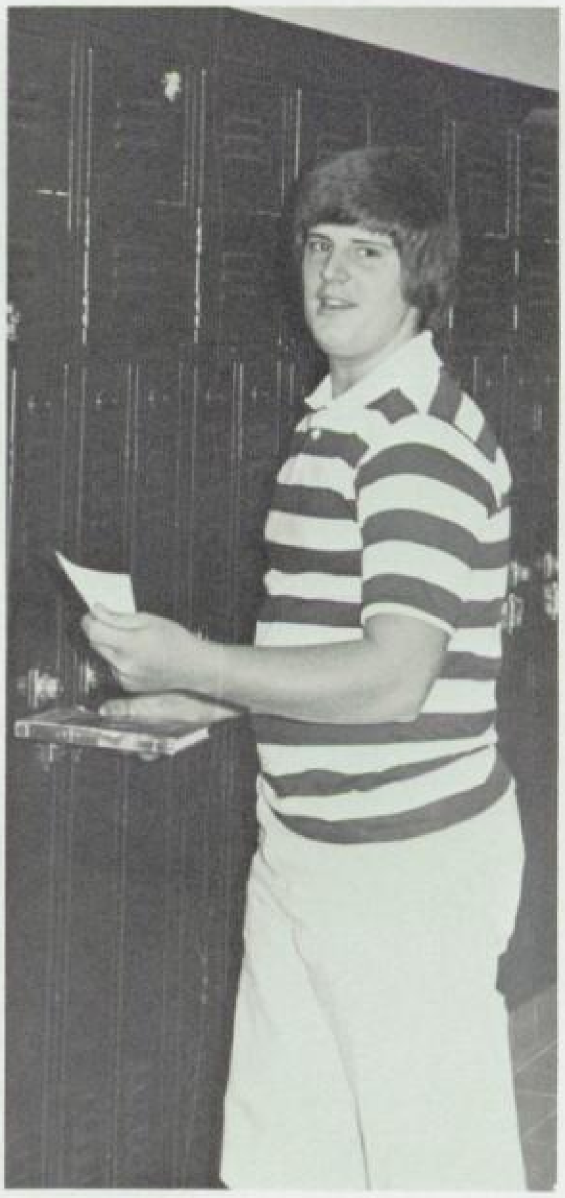
In Remembrance
Dorothy Ouding Stevens
A Trusted Friend, Companion
Adviser, Counselor

I was five years old.
I closed my eyes
and then I was nine years old.
I turned about not once but twice
and then I was fourteen not
thirteen.
I looked around and soon I found
sixteen candles on my birthday
cake.
As I blew them out I soon found
out,
I couldn't count ------
There were seventeen candles
instead.

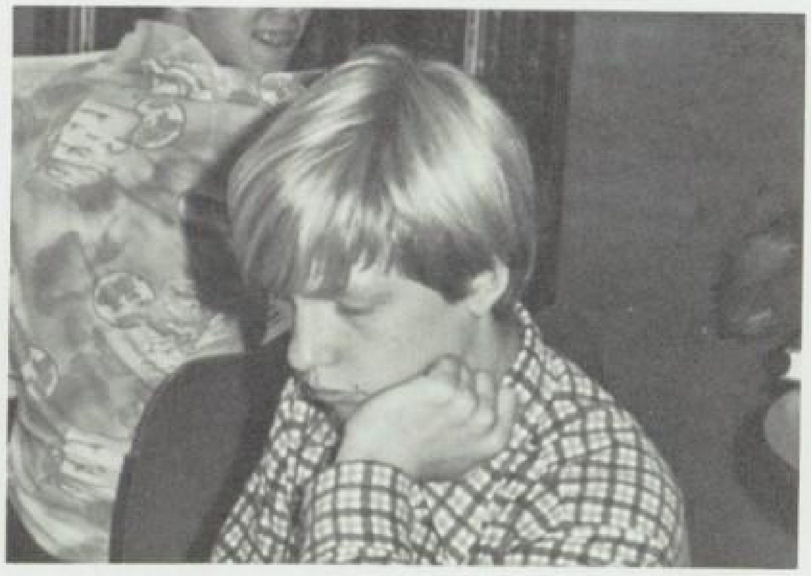
Isn't he cute? No, I like the shorter one. What do you think? Let's go this way and catch them coming down the hall. I feel like a jerk! He probably knows . . . . MISSED HIM! So did I. Oh, well, let's try after the next class . O.K.? O.K.

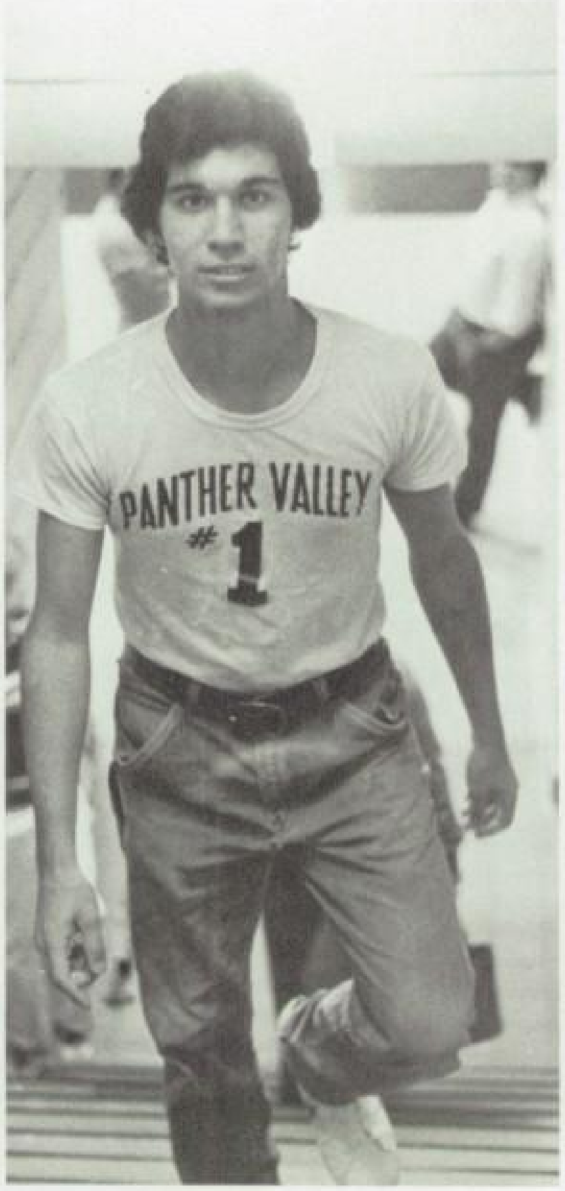


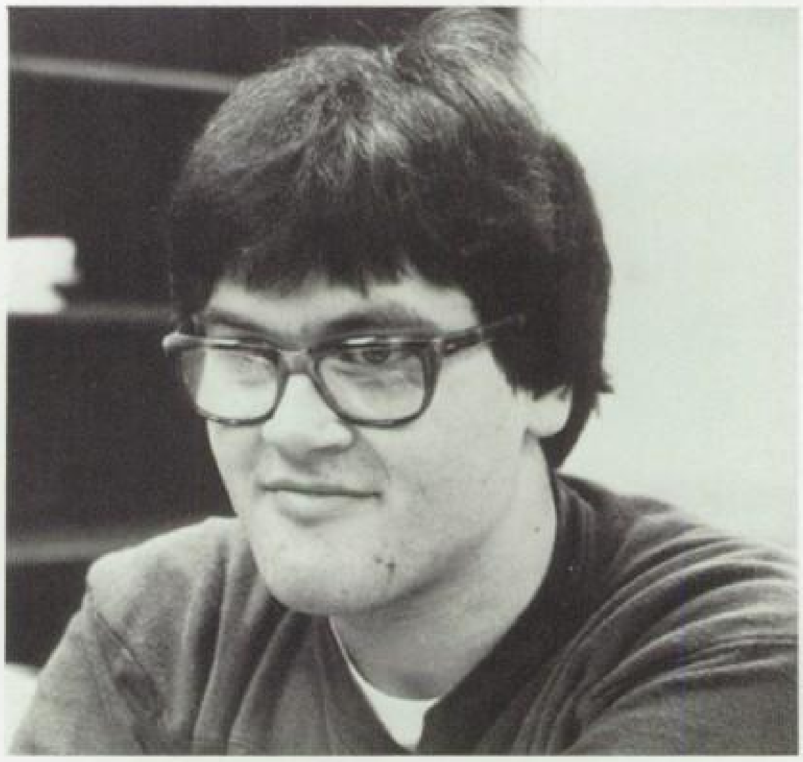


Sizzling hot dogs
Scarves and hats,
Mittens and blankets
and three pairs of socks.
Frozen noses and faces
and unbreakable toes.
Running noses, talking,
and cheering aloud . . .
. . . are sideline adventures
of all football games.

Did anyone ever look at you closely?
What did they see?
A reflection?
Another person?
An in between kind of thing?
Did they run?
Cause of you?
Did they stay?
And make friends . . .
I wonder why they did what they did.







I walked into the library one day,
not knowing what I wanted.
I thought, Of course, it was a book,
but I didn't know for sure.
I thumbed and thumbed
through all the cards
and nosed through all the books.
And finally I looked about,
and found what I was searching for.
He's sitting over there!

THE DECO DUST PROOF FILE
LETTERS

Desk positions
are up and down
sideways, frontways
downways, upways.
Sitting with our arms outstretched
or closely knit for sleeping on.
But of course - we don't sleep now, do we,
No!
We only rest our eyes,
so we can't see just what it is we're
missing.

CLASS SONG

Sung to the tune of "Brian's Song"

Our time has come at last,
These halls are now our past,
Memories will linger on
Of P. V. High.

Our days have been fulfilled,
If time we could have stilled,
To do again the things we loved
At P. V. High.

This is our last farewell,
It's time to face the world,
And now we say good-bye to you
We'll miss you P. V. High.

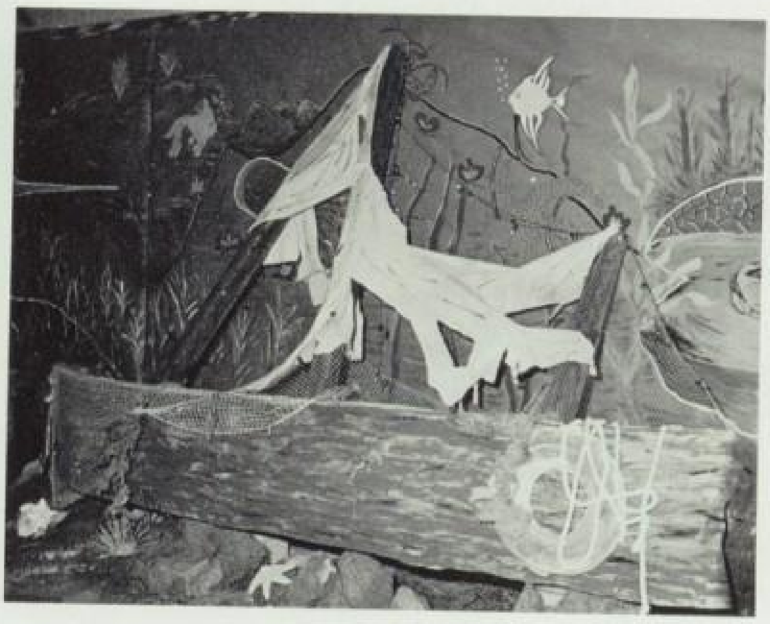
"INNERSPACE ENCHANTMENT"



BANNER DAY

Apathy was not the name of the game when P.V. showed it's true colors to ignite the greatest display of school spirit through "BANNER DAY '76." For a whole week students from each class mobbed the tables, floor, and all available space in the cafeteria to paint their prize winning signs. The signs were then displayed at the pep rally and later hung on the home grandstand at the P.V.H.S. Stadium, to be judged the night of the P.V.-Marian football clash. Seniors displayed the most school spirit and won first place in the grandstand decorating contest. This day will long be remembered in the hearts and minds of all those who participated actively in this supportive event.
